FAU College of Medicine Support Center

Zoom: How to download Zoom to your device

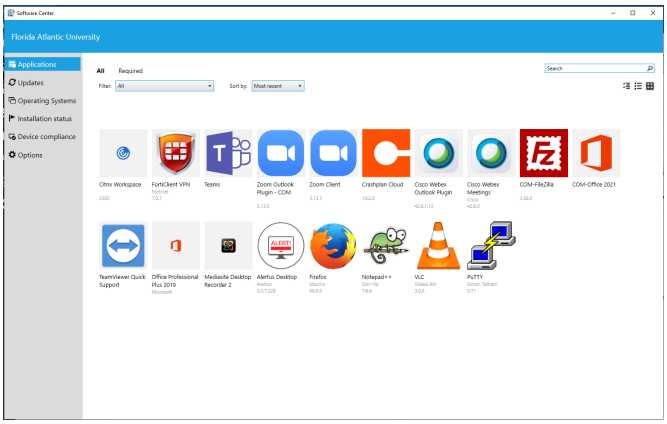
Marcelle Gornitsky - 2023-03-21 - Instructional Resources

Downloading Zoom on to your computer

Open a web browser and go to Fau-edu.zoom.us

- Log in to your FAU Zoom account

Search for Software Center on your Computer



In Software Center

- Select the Zoom Client and Click on Install
- Then select Zoom Outlook Plugin - COM and Click on Install
    - Close and reopen your Outlook App after installing the Zoom Outlook Plugin
- If you do not find Zoom Client on your Software Center, use the link below.

Click on the link below to download Zoom.

https://zoom.us/support/download

The Zoom app is also available in the App store for Apple devices and Google Play for Android devices.
