EClinicalWorks (ECW) - How to change your password

Jeff Clark - 2018-03-13 - Software

eClinicalWorks v9: How to Change your Password

1. Log in to eCW, then click the "File" menu in the top left of the window. Scroll down and click "Change Password".

2. Type in your old password, then your new password twice. Your new password MUST BE at least seven characters long, and a combination of letters and numbers.

3. Click "OK" and the password will be changed permanently.
