Running an iClicker Cloud Polling Session

Once you have 1) opened the application, 2) logged in, 3) selected your course, and 4) started a polling session, follow the steps below.

Step 1: Pull up the question.

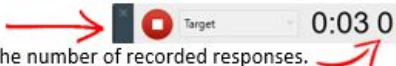

Step 2: Select "Polling."

Step 3: Select the question type and press play.

A screenshot of the iClicker Cloud application interface. It shows a question titled "Question 1" with the text "Which is the largest organ?" and four multiple-choice options: A. Skin, B. Heart, C. Pancreas, and D. Liver. To the right of the question, there is a vertical menu with options like "Polling", "Results", "Attendees", and "Settings". Below the question, there is a "Multiple Choice" button with a play icon. Red arrows point from the step descriptions to these specific elements in the interface.

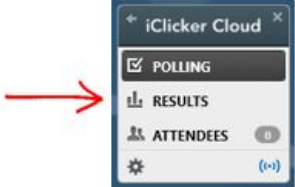

Step 4: Press the stop button when finished.

a. The number to the right of the timer indicates the number of recorded responses.
