OwlMed:Academic Portrait for Students

Marcelle Gornitsky - 2023-07-28 - OwlMed and Canvas

My Portrait

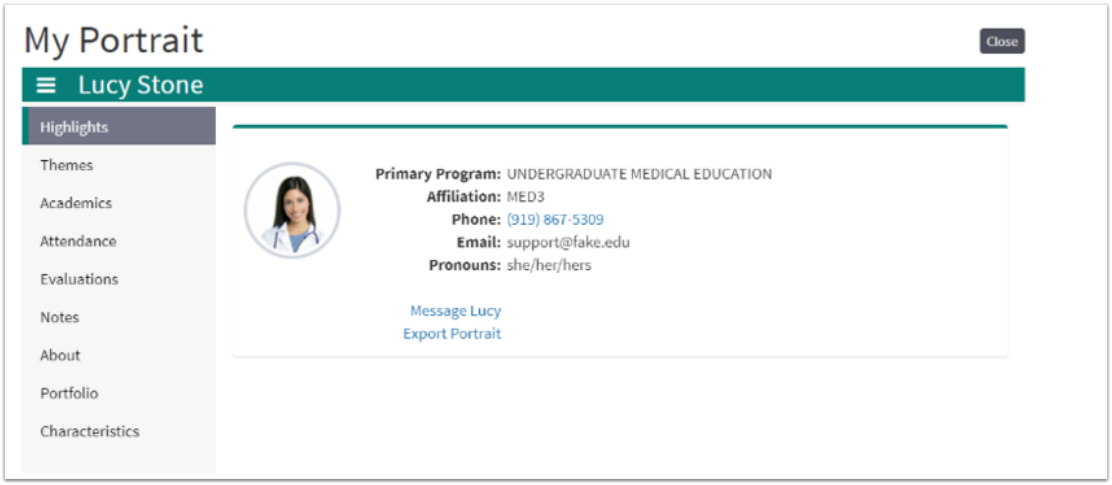

A Student can click on their picture to access **My Portrait.**

The Academic Portrait displays a Student's entire academic history in a simple comprehensive profile.

Academic Portrait Menu

Only the individual(s) explicitly assigned as the Student's mentor can view the Academic Portrait and related documentation, including the Portfolio.

A student's Academic Portrait is divided up into the following sections:

1. **Themes:** Displays performance data based on Theme-Mapped Evaluation Questions, Events, Procedures and Diagnoses over time.
2. **Academics:** A list of Courses the student has taken. Course specific grades can be displayed, if the institution chooses.
3. **Attendance:** This displays information about a Student's excused and unexcused absences.
4. **Evals (Evaluations):** Active evaluations and completed evaluations on or by the Student are listed here.
5. **Notes:**This lists all the notes that have been added to a Student's portrait.
6. **About:**General information and demographics about the Student are displayed on this page.
7. **Portfolio:** A category-based digital folder where Students and their Mentors can upload documents that they need to keep over a period of time.
8. **Noteworthy Characteristics:** A flexible tool for Students and Advisors to collaborate on authoring statements for the MSPE.
9. **Export Portrait:** Download documents in a .ZIP file.

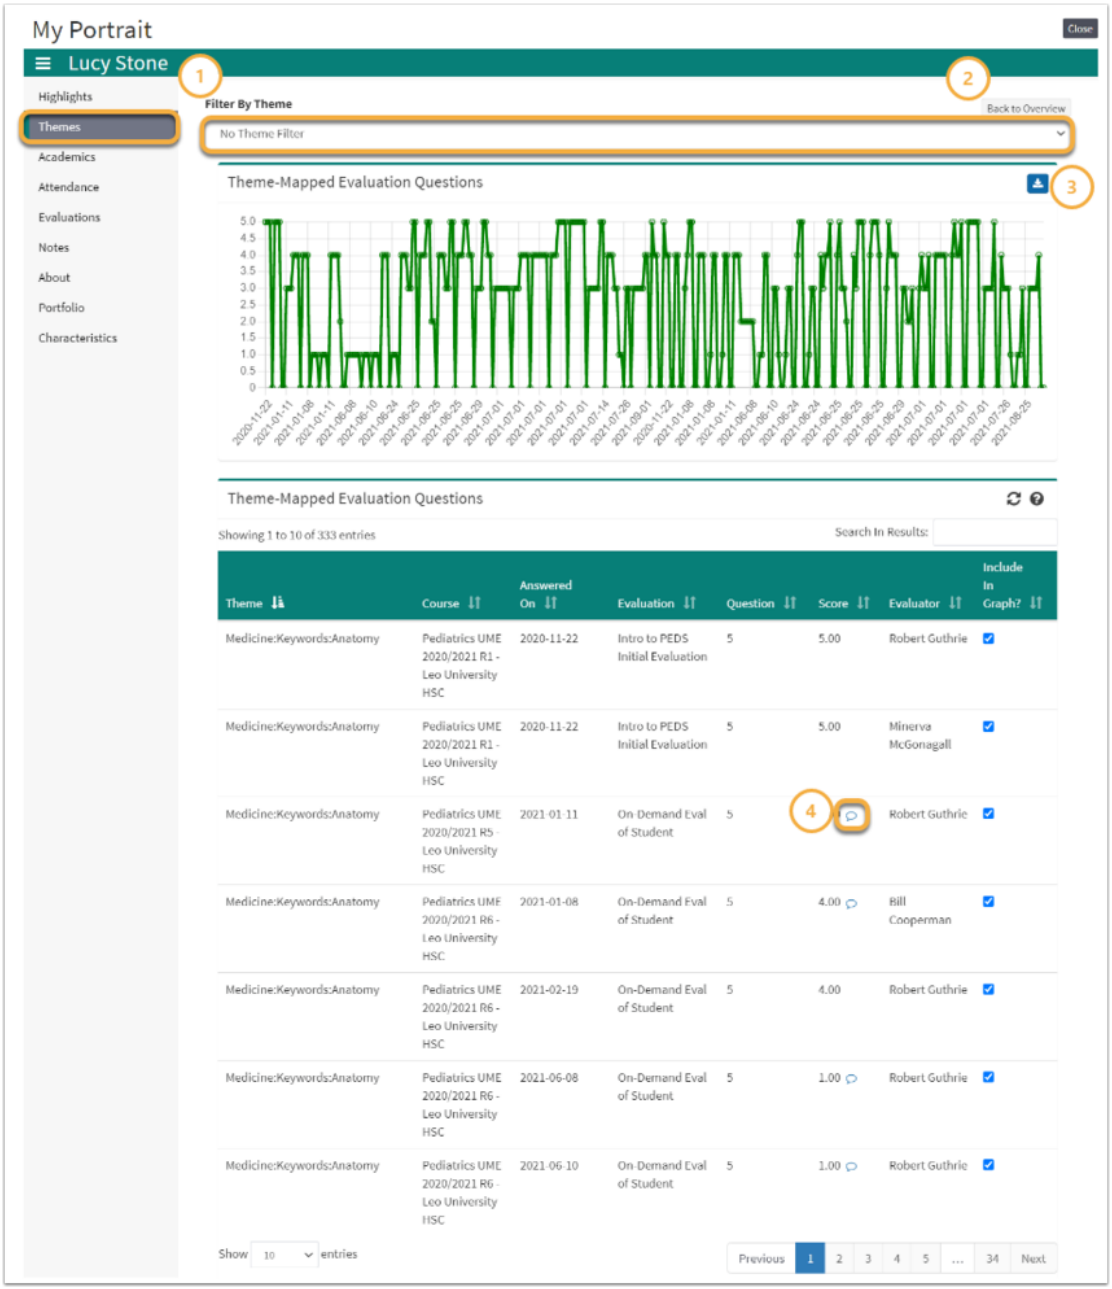

Themes

Displays performance data based on Theme-Mapped Evaluation Questions, Events, Procedures and Diagnoses over time.

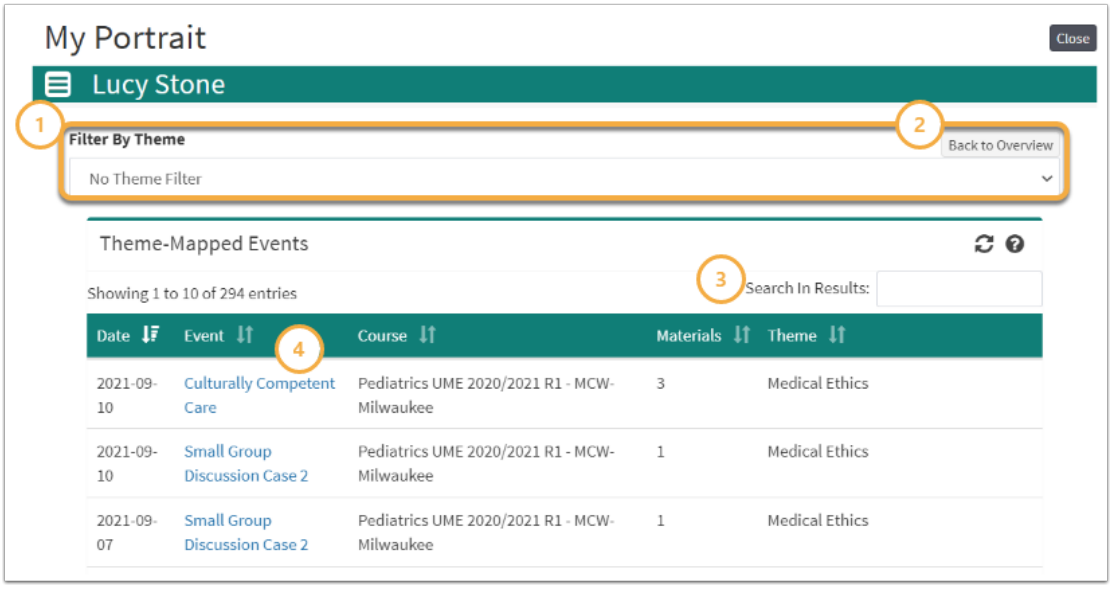

1. Click the **Menu** icon to toggle the Academic Portrait menu on or off the screen
2. Select the **Filter By drop-down** to filter by a specific Theme or Theme Set
3. Select **More Info** to view detailed performance information

Academics

This is a list of Courses that the Student has taken.

- Completed grades may be displayed, if determined by the institution.
- Clicking on a Course's name will take you to the Course information screen.

1. Click the **download icon** to export results in .csv file format.
2. Use the **Sort by drop-down** to filter results by Course Name.
3. Click the colored tile labeled with the course name to navigate to the selected Course screen.
4. Select **More Info** to view detailed course grade information.
5. The **trophy icon** indicates a course in which a student earned an Honors.

7.

Attendance

This lists a record of the excused and unexcused absences for the Student.

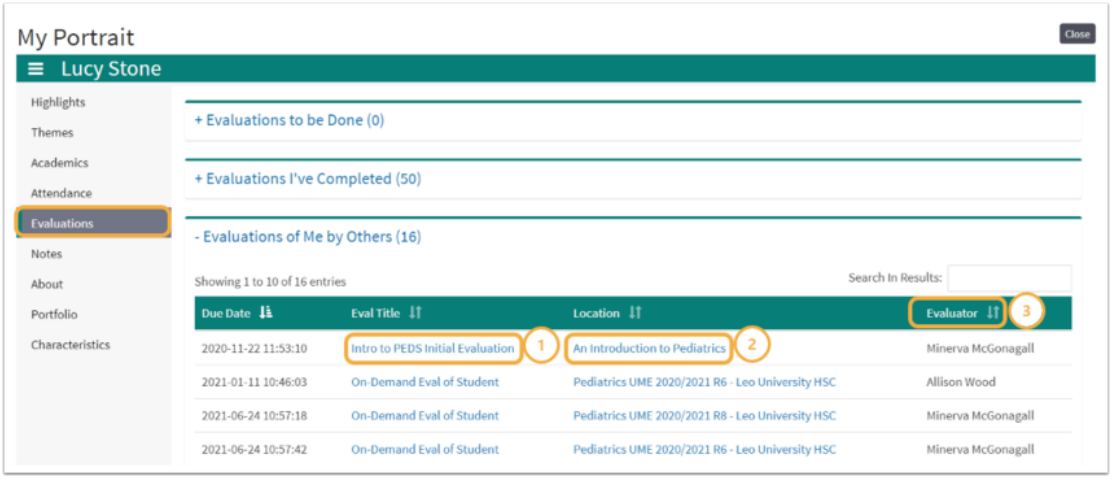

Use the +/- to display the contents.

For information on how to request an absence from a Mandatory Event, please refer to this article, Absence Request.

Evals

A list of all Evaluations by or about the Student, including both active and completed Evaluations. Clicking on the Evaluation link will bring you to a summary of that Evaluation.

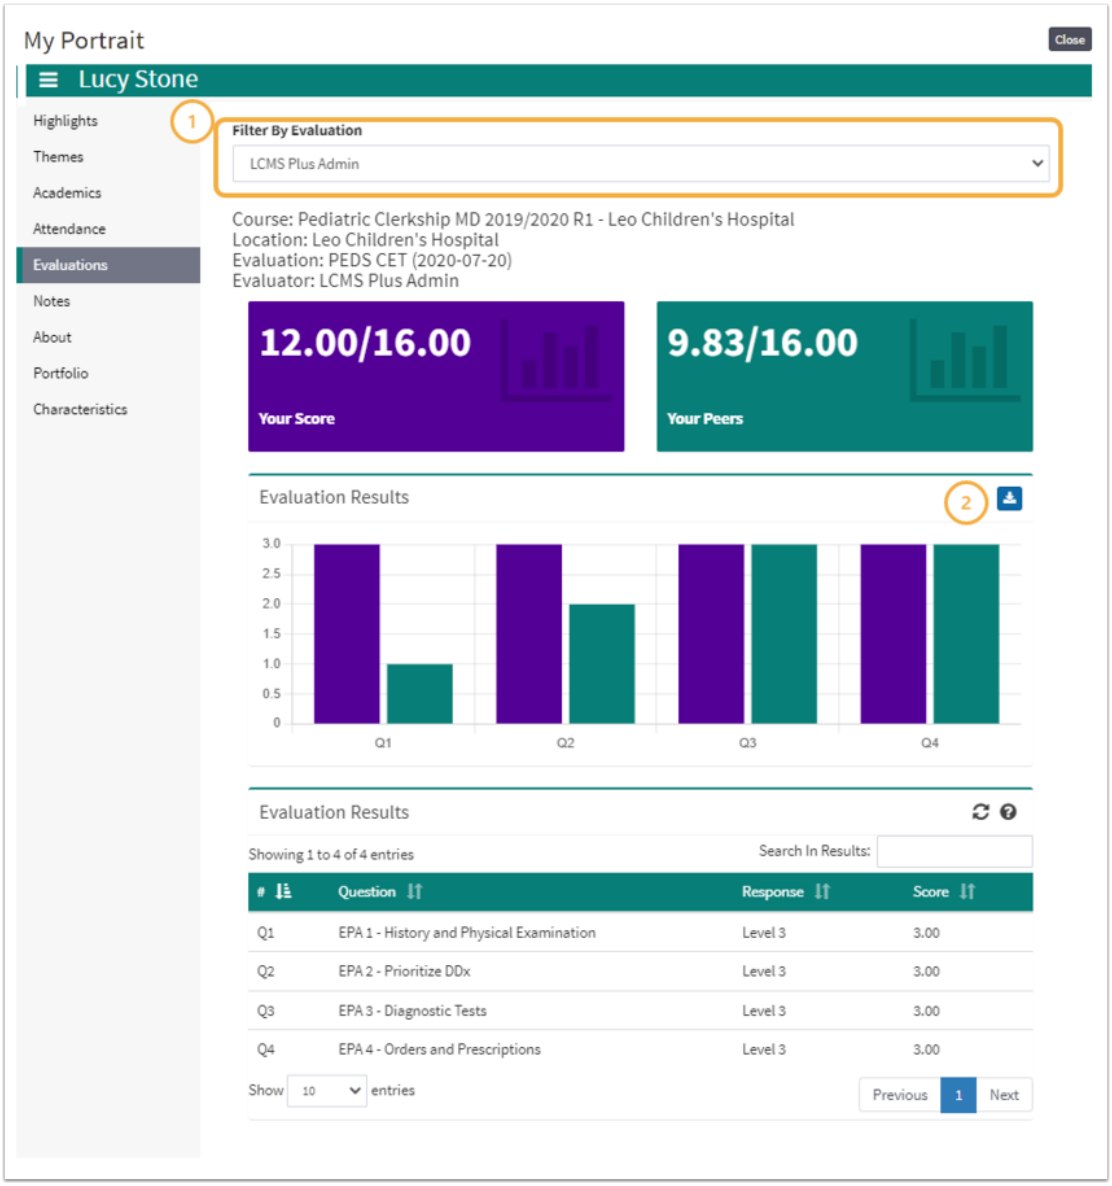

The column menu bar indicates the following:

1. Clicking an **Eval Title** will take you to detailed score information for the selected Evaluation.
2. The **Location** column contains the name of the Course, Event, or Long Event to which the Evaluation applies and clicking on it will open the Course Section or Event screen.
3. The **Evaluator** column tells you the Evaluator of Record who summarized and approved the Evaluation.

Note: Evaluations will only show up here once they have been approved by a Course Director or Administrator.

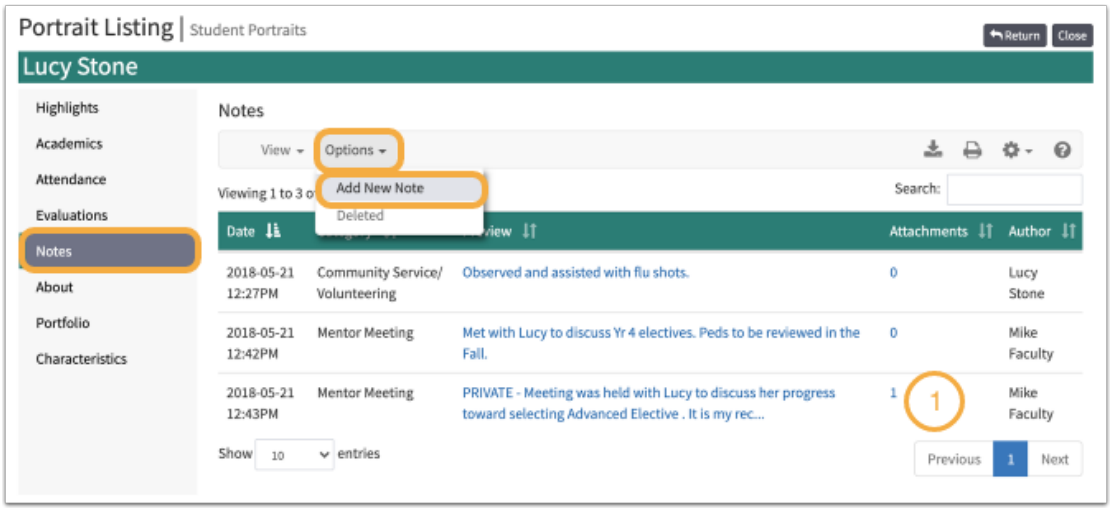

Evaluation Results

2.

Notes

The Notes feature can be used to log the Students' progress and/or upload documents.

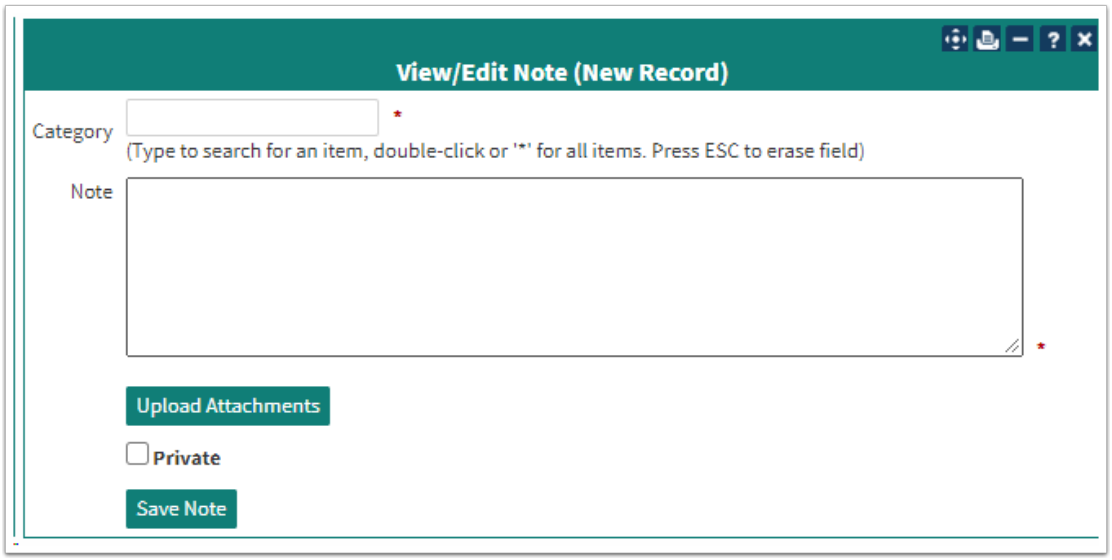

- Click a note to see the full text.
- Click the **Options** dropdown to **Add New Note**

Only the individual(s) explicitly assigned as the student's mentor can view the Academic Portrait and related documentation.

New Note

This screen allows you to edit a note. You can select a category for the note and edit its content in the field below.

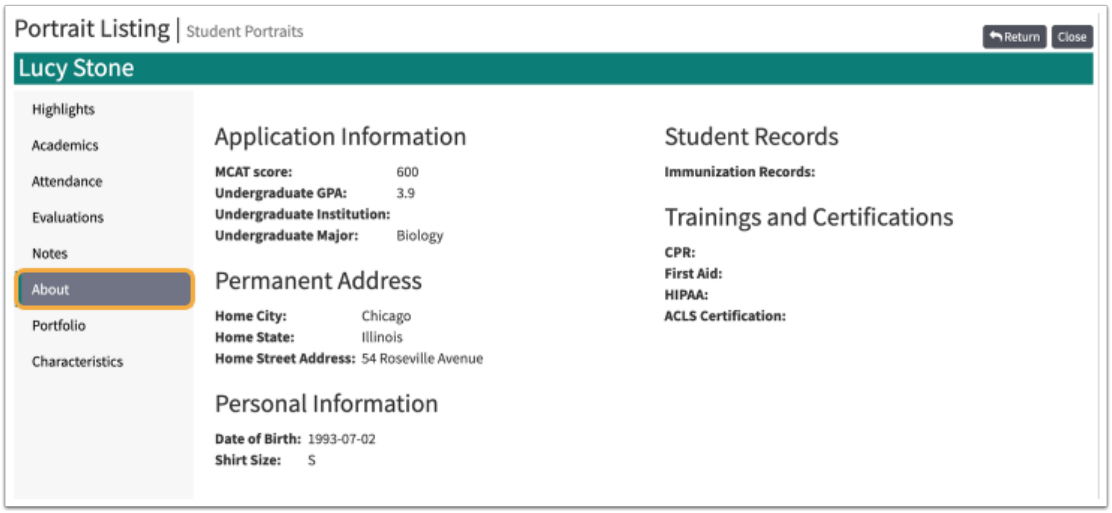

To add attachments to the note, click the **Upload Attachments** button. If there are any attachments already associated with the note, a link will be displayed that will allow you to review/edit them.

A note can be specified as Private by checking the **Private** box. This will make the note only visible to you.

About

General information and demographics about the Student is displayed on this page.

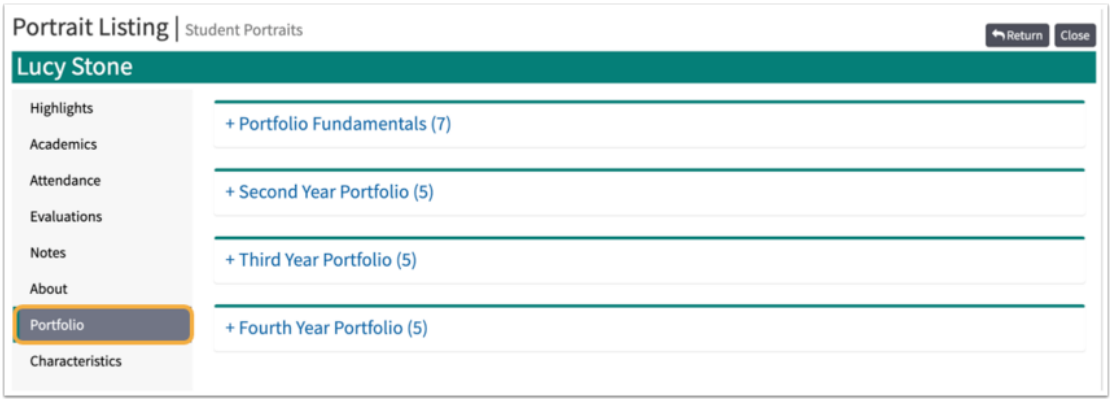

- **NOTE:** Security Levels for User access to the About Tab are in the Account Manager: Demographics

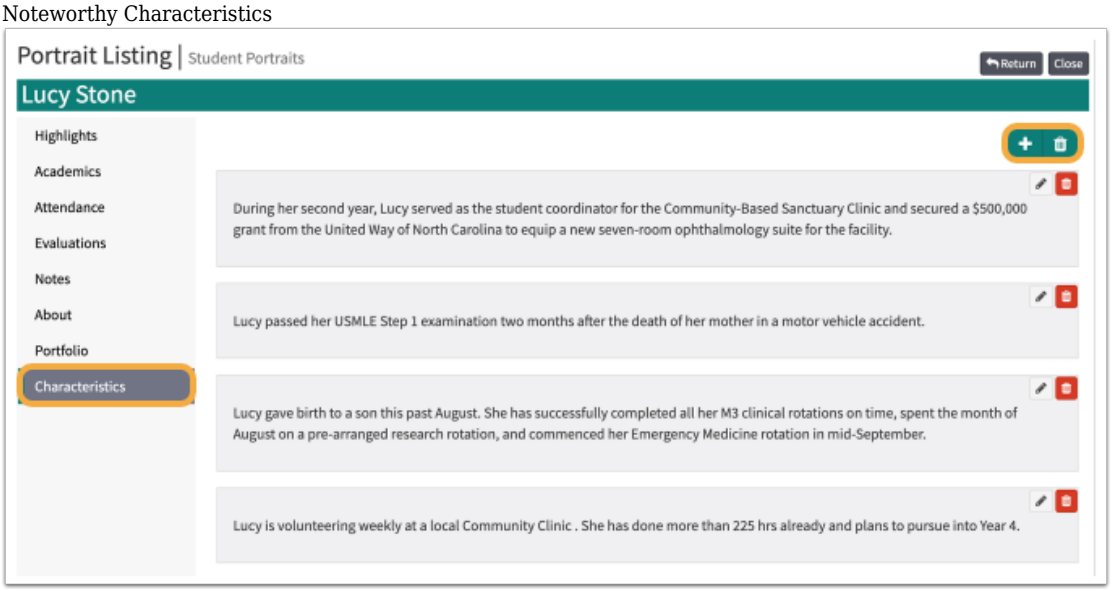

Portfolio

Students may be assigned to, or create, one or more Portfolio categories.

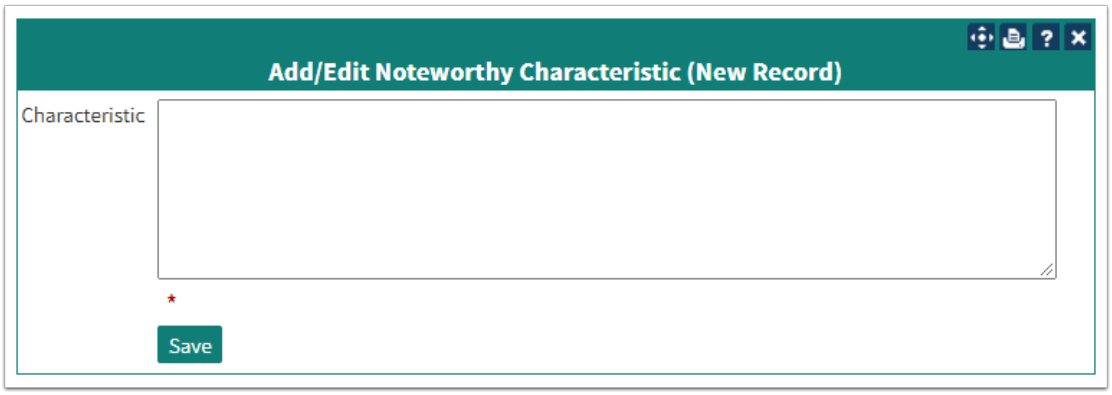

1. To add a general document, click the **Upload An Additional Document** link.
2. To add/edit a document with a specific **Sub-Category**, click the **Upload** icon.

Noteworthy Characteristics

Add New

Export Portrait

Allows for export of the Student's Portfolio in a .ZIP file.
