OwlMed Calendar Overview

Jeff Clark - 2023-07-28 - [OwlMed and Canvas](#)

Calendar Tab

The Calendar acts as a central information hub and resource, providing users with quick access to their schedule and tools to manage their events in Leo. In this article users have multiple ways to customize their calendar, ranging from Day, Week, Month and List view as well as various filter options.

Calendar Menu Options

The Leo Calendar tab offers you many options for viewing your schedule, managing materials, accessing courses, sending and receiving messages, and much more.

1. Scroll using the arrows to the future or the past in increments of Days, Weeks or Months.
2. The Calendar views can be set to Today, Day, Week, Month or List.

(3) Setting Calendar Filters

The **Set Calendar Filters** feature allows Users to set personal preference defaults and/or clear filters that they are currently using on their calendar.

Users can select their Campus and Program as well as School Year and Course or choose to see only Events in which they are either enrolled in, auditing, the instructor, or are serving as a Grader for.
