## OwlMed Menu

Jeff Clark - 2019-07-30 - OwlMed and Canvas

The main user interface is based around the calendar.

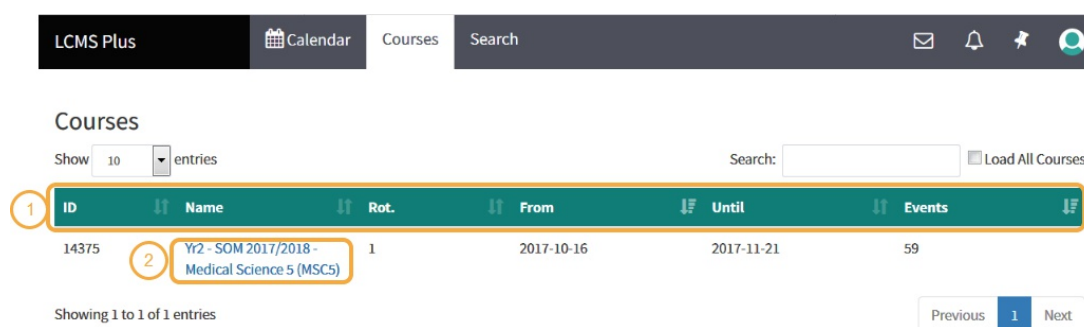

The **Calendar** opens to today's date and can be organized by: Day, Week, Month, or List views

**Documents** are organized on the right side panel and can be downloaded all at once or you can select specific items to download.

**Filters** can be applied to the Calendar, you can add personal events and access **More**.

**Events** are organized by time and place as well as color coded by Event Type.

## Courses Tab

Courses can be sorted by: ID, Name, Rotation, From, Until and number of Events.

Click the Course link to go to the Course Screen for that Course
